

# “Stars and Stitches Forever” Quilt Challenge

Hosted by the Monroe County Historical Association to honor the 250<sup>th</sup> anniversary of the Declaration of Independence.

Throughout our country’s history, quilts have been made to keep people warm and to feed the soul as artistic expressions. Now it’s time to honor this momentous anniversary with quilts unique to Monroe County. Working within the challenge parameters, quilters are invited to interpret their journey (or their family’s journey) of migration or immigration to America and/or the area now known as Monroe County. This is a way to reflect on the past, honor the contributions of all people to Monroe County, and look ahead to a shared future.

Quilts are due by Friday, March 27, 2026.

Challenge quilts will be exhibited in the Monroe County Historical Association’s Hughes Community Room in the new Heritage Center from May 5 through December 11, 2026.
